

Provide the Human Touch to Your Website & Convert Visitors to Leads

KEY BENEFITS

- Improves conversion rates from website visitor to lead.
- Greet every website visitor to increase involvement and reduce abandonment.
- Build confidence and trust with your visitors by showing them that a live representative is available to help.
- Completely outsourced and monitored for you.
- Easy Integration with your web site.

live chat

How it Works

- 1 We Develop a custom FAQ response library combined with proven scripts to answer questions and escalate the chat to inquiry and appointment.
- 2 We monitor your website day and night with live agents.
- 3 We greet and invite every visitor to engage with you free of charge. If they choose to chat with us we answer their questions and guide them to the information they are looking for.
