## How it Works

- 1 Form to Phone** - When a prospect fills out an internet inquiry form and hits the Submit button, your phone rings immediately at the school or call center.
- 2** You are given the name of the person who filled out the form, their program of interest and then prompted to press 1 to be instantly connected by phone. Visit
- 1 Text to Phone** - You advertise a Key Word and SMS code for more information and an immediate call.
- 2** Your phone rings and you are prompted to press 1 and a call is generated to the prospects cell phone.
